Bussing for McLain and Long View Students for 2019-20

Before the Christmas Break we sent families a link for a survey about transportation for next school year. We would like to resend it (only 16 families filled it out). We want to know where students would be interested in picking up the bus around the school district. Please fill out this link regarding transportation for next school year. Dental Van

The MCPN Dental Van is coming to McLain on Wednesday 2/20. As they did in September, MCPN (Metro Community Provider Network) will have their dental van outside the 3rd floor entrance and provide 2 dental assistants. The dental team will provide cleaning, sealants, fluoride and/or dental exams at NO CHARGE. They can accommodate around 25 students in one day.

If students are interested in accessing the free dental care, please have them see our school nurse, Sara Killian, to sign up and receive a parent consent form.

Important Student Opportunities

Here is a list of events that will support students and their exposure to a variety of opportunities at McLain. See the different events, dates and times below.
