

**McLain Community High School**

October 16, 2018

VOLUME 1, NUMBER 5

Dear Long View & McLain Families,

This is the first week of the new quarter at McLain and Long View High Schools. Students all have new schedules for the next 9 weeks. Every year at this time, we prepare our students for the spring state testing, which entails the SAT (for juniors) and PSAT 9 and 10 for freshmen and sophomores. There is no state testing for seniors in the spring. In preparation, McLain and Long View takes some time in our schedule to have students practice taking the PSAT. The preparation allows students to experience the same test environment and to take a practice SAT. We will conduct the testing on Thursday from 8:30 to 12:30. When students are finished with their tests (at the end of the testing session they will be released from school). All students will be released on Thursday, September 18 at 12:30 p.m.

Students who are in the 12<sup>th</sup> grade will take the TABE test (students will be able to gain credit acknowledgements through passage of the TABE). If students have already passed the TABE, they are not required to attend school on Thursday.

Student's names will be posted in the school, directing them to their testing rooms on Thursday, October 18 (8:30 to 12:30).

Have a great week,

Gavan
