

McLain Community High School

AUGUST 25, 2020

VOLUME 3, NUMBER 3

Dear McLain Community Families,

I am writing with great sadness to tell you that one of our students, Dillon Wikoff has died. Our thoughts and sympathies are with his family and friends.

We do not have further information to share at this time. We will pass on additional information if it becomes known to us by the family and if they wish for it to be shared. Members of our school district Mental Health Response Team are available to meet with students today as well as over the coming days and weeks. Please contact the school office at 303-982-7460 if you feel your child is in need of additional assistance.

Information about the funeral service will be made available at the discretion of the family. If your child wishes to attend, we strongly encourage you to accompany him or her to the service.

If you have any questions or concerns, please do not hesitate to contact me, or one of our school mental health professionals, at **303-982-7460**.

Gavan Goodrich
